

27 June 1985

MEMORANDUM FOR: Director of Training and Education

STAT FROM:

[Redacted]  
Executive Secretary, CIA Training  
Selection Board

SUBJECT: Per Diem Rate for Students Attending the  
Army War College

1. Your approval is requested to change the currently authorized per diem rate for students attending the Army War College at Carlisle Barracks, Pennsylvania, beginning with Academic Year 1985/86.

2. Currently, the Office of Training and Education authorizes 55% of the full per diem rate (\$50) or \$27.50 per day for students who attend the Army War College during the academic year and are accompanied by their families. Students who are single, or do not take their families, and occupy Bachelor Officer Quarters are authorized \$23 plus the BOQ rate, which is \$293.10 per month. At the Army War College, the individual occupying a BOQ receives a larger per diem rate than the individual who is accompanied by his/her family and must live in non-Government quarters.

3. It is recommended that CIA adopt a more equitable per diem rate of \$33 for employees assigned to the Army War College during an academic year.
